Counsel for Microsoft Corporation

[Additional Counsel Identified on Signature Page]

UNITED STATES DISTRICT COURT
 FOR THE NORTHERN DISTRICT OF CALIFORNIA
 SAN FRANCISCO DIVISION

FEDERAL TRADE COMMISSION,

Plaintiff,

v.

MICROSOFT CORPORATION and
 ACTIVISION BLIZZARD, INC.,

Defendants.

Case No. 3:23-cv-02880-JSC

**AMENDED ADMINISTRATIVE MOTION
 SEEKING *IN CAMERA* TREATMENT OF
 CERTAIN EXHIBITS PURSUANT TO
 CIVIL L.R. 7-11 AND 79-5**

Date: TBA
 Time: TBA
 Dept.: Courtroom 8—19th Floor
 Judge: Honorable Jacqueline S. Corley

1 Pursuant to Civil Local Rules 7-11 and 79-5 and the June 14th Order Re: Evidentiary Hearing on
2 Preliminary Injunction Motion (ECF No. 76) (“Order”), Defendant Microsoft Corporation (“Microsoft”)
3 respectfully moves this Court to seal from public disclosure, permit *in camera* treatment, and close the
4 courtroom for the presentation of certain exhibits that appear on Plaintiff Federal Trade Commission
5 (“FTC”) and Defendants’ (collectively, the “Parties”) exhibit lists filed June 20, 2023, and the FTC’s
6 supplemental exhibit list filed June 21, 2023.

7 On June 14, 2023, the Court issued an Order directing the Parties, among other things, to identify
8 “each exhibit each party intends to offer at the evidentiary hearing either through a witness declaration
9 or live testimony,” including “which exhibits are subject to a confidentiality designation and where on
10 the docket the Court can locate a declaration in support of sealing as required by Local Rule 79-5.”
11 Order, at Section A.2. On June 19, 2023, the Parties exchanged their respective exhibit lists, which
12 identify exhibits that the Parties plan to introduce during the evidentiary hearing. Some of these exhibits
13 reveal highly sensitive and proprietary business information that could be used to injure Microsoft if
14 made publicly available. Microsoft filed an Administrative Motion seeking *in camera* treatment of
15 certain exhibits on June 20, 2023 (ECF No. 150). The parties continue to refine their exhibit lists and
16 the appropriate confidentiality designations of these exhibits, and Microsoft hereby files this Amended
17 Administrative Motion to reflect the current status of Microsoft’s requests for *in camera* treatment of
18 exhibits.

19 Below, Microsoft has identified highly confidential material found in the exhibits mentioned in
20 the Parties’ exhibit lists, along with the specific bases for sealing required under Local Rule 79-5. The
21 proposed sealing reflects Microsoft’s good-faith efforts to narrowly seek sealing of only that information
22 which is competitively sensitive and contained in internal documents, the public disclosure of which
23 would cause injury to Microsoft that cannot be avoided through any more restrictive alternative means:

Document	Party Seeking to Introduce Exhibit	Information Requested for <i>In Camera</i> Treatment	Basis for <i>In Camera</i> Treatment Request ¹
FTC's Exhibit List and Defendants' Exhibit List			
PX1442	FTC's Exhibit List and Defendants' Exhibit List	Redacted Version Forthcoming	This portion contains non-public and highly sensitive information including, but not limited to strategic evaluation of forward-looking opportunities which could be used to injure Microsoft if made publicly available.
PX1823	FTC's Exhibit List and Defendants' Exhibit	Document Withheld	This portion contains non-public and highly sensitive information including, but not limited to investment decisions, which could be used to injure Microsoft if made publicly available.
PX1102	FTC's Exhibit List and Defendants' Exhibit List	Redacted Version Forthcoming	This portion contains non-public and highly sensitive information including, but not limited to business partnerships and revenue figures and projections, which could be used to injure Microsoft if made publicly available.
PX4352	FTC's Exhibit List and Defendants' Exhibit List	Document Withheld	This portion contains non-public and highly sensitive information including, but not limited to revenue figures and projections, which could be used to injure Microsoft if made publicly available.

¹ Legitimate private interests warrant *in camera* treatment of Microsoft information in this chart, and the unsealing of the information would result in injury to Microsoft that cannot be avoided through any less restrictive alternative to sealing the courtroom.

ARGUMENT

I. *In Camera* Treatment of the Exhibits Is Warranted Under Ninth Circuit Precedent as They Contain Microsoft's Confidential Business Information

The above-mentioned exhibits contain competitively sensitive business information and warrant *in camera* treatment at the evidentiary hearing. In the Ninth Circuit, “[p]arties seeking to seal judicial records relating to motions that are ‘more than tangentially related to the underlying cause of action,’ bear the burden of overcoming the presumption with ‘compelling reasons supported by specific factual

findings that outweigh the general history of access and the public policies favoring disclosure.” *Lenovo (United States) Inc. v. ICom GmbH & Co.*, KG, 2022 WL 2313948, at *1 (N.D. Cal. Jun. 28, 2022); *see also Kamakana v. City & County of Honolulu*, 447 F.3d 1172, 1179 (9th Cir. 2006) (“[T]he court must ‘conscientiously [] balance the competing interests’ of the public and the party who seeks to keep certain judicial records secret.”). Courts in this Circuit regularly find that sealing is warranted where the records or information that are sought to be sealed could be used “as sources of business information that might harm a litigant’s competitive standing.” *Nixon v. Warner Commc’ns, Inc.*, 435 U.S. 589, 598 (1978); *see also In re Elec. Arts, Inc.*, 298 F. App’x 568, 569 (9th Cir. 2008) (same); *Velasco v. Chrysler Grp. LLC*, 2017 WL 445241, at *2 (C.D. Cal. Jan. 30, 2017) (stating that “district courts in this Circuit have sealed records containing ‘information about proprietary business operations, a company’s business mode or agreements with clients,’ [and] ‘internal policies and strategies’”) (internal citations omitted).

“The Ninth Circuit has explained that ‘in general, compelling reasons sufficient to outweigh the public’s interest in disclosure and justify sealing court records exist when such court files might have become a vehicle for improper purposes, such as the use of records to . . . release trade secrets.’” *Velasco*, 2017 WL 445241, at *2 (quoting *Elec. Arts*, 298 F. App’x at 569); *see also Elec. Arts*, 298 F. App’x at 569 (“A ‘trade secret may consist of any formula, pattern, device or compilation of information which is used in one’s business, and which gives him an opportunity to obtain an advantage over competitors who do not know or use it.’”) (citation omitted). A court has “broad latitude” to grant protective orders to prevent disclosure of “many types of information, including, but not limited to, trade secrets or other confidential research, development, or commercial information.” *Phillips ex rel. Estates of Byrd v. Gen. Motors Corp.*, 307 F.3d 1206, 1211 (9th Cir. 2002).

In determining whether a document should be filed under seal, courts consider, among other things, the measures taken to guard the information’s secrecy and the value of the information to the business or its competitors. *E.g., Phillips ex rel. Estates of Byrd v. Gen. Motors Corp.*, 307 F.3d 1206, 1212 (9th Cir. 2002). Here, Microsoft seeks *in camera* treatment of only the exhibits on Defendants’ and the FTC’s exhibit lists that reference and reflect, among other things, confidential, proprietary information relating to Microsoft’s internal decision-making processes, investment decisions, strategic

1 evaluation of forward-looking opportunities, market share analyses, assessment of the competitive
2 landscape, business partnerships, terms of existing confidential agreements, revenue figures and
3 projections, and internal presentations discussing business strategy. The disclosure of this information
4 could be used to injure Microsoft if made publicly available.

5 **II. *In Camera* Treatment of the Exhibits Is Necessary to Protect Microsoft's Confidential and** 6 **Proprietary Business Information**

7 Microsoft seeks *in camera* treatment of the above-mentioned exhibits, which contain Microsoft's
8 non-public and highly sensitive information from documents obtained during the course of the FTC's
9 investigation and during litigation discovery. Examples of such confidential information include, but
10 are not limited to, Microsoft's internal decision-making processes, investment decisions, strategic
11 evaluation of forward-looking opportunities, market share analyses, assessment of the competitive
12 landscape, business partnerships, terms of existing confidential agreements, revenue figures and
13 projections, and internal presentations discussing business strategy. Disclosure of this information
14 would provide Microsoft's competitors with private data about Microsoft's performance and business
15 strategy, which could harm Microsoft's competitive standing. *See Cont'l Auto. Sys. v. Avanci, LLC*,
16 2019 WL 6612012, at *4 (N.D. Cal. Dec. 5, 2019). Thus, the unsealing of this highly confidential and
17 sensitive information would cause injury to Microsoft that cannot be avoided through less restrictive
18 alternatives.

19 Finally, Microsoft provided the FTC with confidential business information from the above-
20 mentioned exhibits pursuant to the statutory and regulatory guarantees of confidentiality contained in
21 the Hart-Scott-Rodino Act or the FTC Act. *See* 15 U.S.C. §§ 18a(h), 46(f), 57b-2(b), 57b-2(c); 6 C.F.R.
22 § 4.10(d)-(g). In similar cases, the FTC has acknowledged the need to maintain the confidentiality of a
23 party's confidential business information that has been provided to the FTC via a regulatory request.
24 *See, e.g., FTC v. Lockheed Martin Corp.*, 2022 WL 1446650, at *2 (D.D.C. Jan. 25, 2022) ("According
25 to the FTC, sealing the complaint is appropriate . . . because the filing includes confidential information
26 submitted . . . pursuant to 'statutory and regulatory guarantees of confidentiality.' . . . The requested
27 sealing covers only confidential information and is, according to the FTC, required by regulation.").

28 **III. Conclusion**

As stated above, compelling reasons justify Microsoft's request for *in camera* treatment of the confidential business information contained in the above-mentioned exhibits. Microsoft therefore respectfully requests that the Court grant this Motion. Redacted and unredacted versions of the Exhibits warranting *in camera* treatment are forthcoming. In accordance with Civil Local Rule 7-11, Microsoft has also filed a Proposed Order herewith.

Dated: June 22, 2023

Respectfully submitted,

By: /s/ Beth Wilkinson
